TRANSITIONAL KINDERGARTEN

Beginning with the 2017-18 school year, a student must be five years old by September 1, 2017 to enter Kindergarten. Transitional Kindergarten will be open to all incoming Kindergarten students with birthdates that fall between July 1, 2012 and December 2, 2012. Transitional Kindergarten is the 1st year of a two year Kindergarten program. After completion of Transitional Kindergarten, these students will attend Kindergarten at their neighborhood school.

Transitional Kindergarten uses a modified curriculum that is age and developmentally appropriate for students in an effort to prepare them for Kindergarten. Transitional Kindergarten will follow the Kindergarten standards, but Transitional Kindergarten will incorporate a different learning approach based on the developmental needs of those students.

The class size goal for Transitional Kindergarten is 22 students, but could reach a maximum of 24 students. We plan to offer Transitional Kindergarten classes at Camarillo Heights, Dos Caminos, Rancho Rosal, Tierra Linda and Las Posas* schools. The hours for Transitional Kindergarten will be the same as the Kindergarten hours.

Enrollment for this program will be as follows:

1. Please complete the pre-online enrollment process (www.pvsd.k12.ca.us) and then follow up at your neighborhood school with the required documents, original birth certificate, immunization record and two forms of proof of residence, the week of February 27 – March 3, 2017.
2. Parents will fill out a Transitional Kindergarten Lottery Application indicating their school site preference and submit it at your neighborhood school or at the District Office.
3. Students will be approved for Transitional Kindergarten based on a lottery.
4. **Student's with birthdates between September 2, 2012 and December 2, 2012 will have priority in the lottery and are guaranteed acceptance into the class. The school site will be determined by the lottery.**
5. Parents will be notified if their application has been approved or denied by April 20, 2017 (approximately).

If you have any questions, or need additional information, please call the enrollment office at 805-445-8652.
